

# Street Wizards Car Club – Thief River Falls, MN 2017 SUMMER EVENTS SCHEDULE

## Evening Cruise Nights and Special Events

### www.trfstreetwizards.com

Dear Members and Cruisers:

For the 2017 summer and fall cruise night events, we will have two different venues...one in-town meet/greet/eat/display type event encouraging you to visit the city and enjoy the businesses, parks, playgrounds, and various outdoor activities. Host stop for most of the in-town events will be the CENEX South Food and Travel Plaza featuring the new TRF A&W. Times will be from 6-9 p.m. on Saturday nights (times slightly earlier in Sept/Oct). Bring your lawn chairs, view the cars on display, grab some food and enjoy Saturday night hospitality. At 8:00 p.m. There will be an information sharing/announcement/gathering to discuss upcoming car related events. In-town cruise nights will be the first and third Saturday evenings of the summer months.

**The in-town events** are scheduled below leaving other weekends for opportunities to visit other activities or go to the lake.
